Maybe even better than free.

Simply upload your file and share the link. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. We have no file size limit. No account or credit card is required to get started. You can upload any type of file (movies, music, documents, images,zip files and more). Just upload the file you want to share with your friends and we send you a download link to your file. File is free to use with no gotchas andno hidden fees. Unfortunately, we can't make that part free. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, manyteam chat apps have limits to the size of files that can be transferred within their apps. Any file in any format can be uploaded and downloaded for free. Thereare no restrictions on the number of times a file can be downloaded. The cost of that data transfer is covered by your internet service or the data plan on yourphone. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Using file, you can circumvent those limits withoutpaying to upgrade your team chat service. Files can be downloaded from any computer from our high speed servers. You can give this download link to yourfriends by mail or instant messenger. So try our free and simple filehosting service now. Alternatively you can choose to share your download links on blogs,forums and social networking sites. You don't need any special software installed to be able to download your files. filehosting provides an easy possibility foryou to send large files to your friends. It is also allowed to link to the download page from websites and communities. Our service is completely free foreveryone. You decide who you want to share your files with. Keep your files private, or send your download links only to friends or family. If only we could,we surely would!

On the other hand, using file can actually save you money.
